MEMORANDUM

TO: Chief, TRD

19 July 1950

SUBJECT: Overseas Training Slots

1. By memorandum dated 16 May 1950 to Chief, TRD and signed by Deputy Chief, Staff II, several overseas Training slots were made available to the Training Division. These were thirty in number including 2 GS-14's, 9 GS-13's, 4 GS-12's, 8 GS-11's, and 7 GS-9's. They were authorized under Project [REDACTED] and were divided into a [REDACTED]. To date applicants have been obtained against 10 of these slots.

2. Due to the reorganization of OPC I have now been advised that Project [REDACTED] has been cancelled and Project [REDACTED] has absorbed same, at least as far as [REDACTED] is concerned. A new Table of Organization is now being prepared reducing the number of Training Instructors for the Far East and also reducing the grades in several instances.

3. This has resulted in an embarrassing situation for the Training Division inasmuch as personnel actions are now being processed against 3 of the GS-13 slots and another of the GS-13 slots is presently occupied. It is doubtful if any of the GS-13 Instructor slots will be contained in the new Table of Organization and available under Project [REDACTED]

4. It would be appreciated if this matter could be discussed at the next meeting of the Joint Training Committee and a clarification obtained so that I might be in a position to know the positions available and the grades for the Overseas Training projects.
